Full Time Provincial Coach for New Brunswick

After a nine month search to fill the new position of full time provincial coach for New Brunswick, FENB is in the final stages of securing Mr. Xavier Boulet for this position. There is still some government paper work to be completed but we are hopeful that Mr. Boulet will be in New Brunswick sometime in October to take up his duties. Mr. Boulet was educated as a fencing master (Maitre d'armes) in France and is currently coaching in Switzerland. As soon as we have the details of his arrival in New Brunswick, we will provide more information about opportunities to "meet & greet" Mr. Boulet. Mr. Boulet will be living on Fredericton and based at the Damocles Fencing Club with some outreach work in the Fundy region in the short term and further afield in the longer term.

We look forward to welcoming Mr. Boulet and encourage all members to support his work to strengthen the development of fencing in New Brunswick.
